

The Union.

JUNCTION, SATURDAY, OCTOBER 4, 1862.

PAY UP!—Two numbers more and volume one of the Union will be complete. A portion of our material is so miserable that we cannot use it much longer, and therefore desire the "where-withal" to obtain new. We want \$150 worth of new types, and we hope those of our friends owing us will come to our aid.

Streeter & Strickler want 500 bushels of Fall Wheat, if delivered within two weeks.

The Probate Court meets in this city next Monday.

The Eagle Hotel has been closed. Strangers are now accommodated by John F. Schmidt, who has a fine reputation as a landlord.

The County Commissioners meet next Tuesday. We again request some statement of the County affairs.

ANOTHER PROMOTION.—Kingsbury is first corporal Company A, 1st Regiment, Dakota Militia. We're betting on Junction, yet.

Persons can just get up as neat a fitting garment as we have ever seen. He understands tailoring perfectly, and any one wanting a new "outfit" should consult him.

A primary caucus will be held this (Saturday) evening at Taylor's Hall, to select members of the County Convention, which meets next Tuesday, to nominate a County Ticket.

The files of the Lawrence State Journal will comprise the most complete, minute history of Jim Lane that has ever been written of any man. It averages five columns a week.

Branch and Jack Dickson, arrested for horse-stealing, have been sent to Fort Leavenworth. They started, under guard, last Wednesday.

The friends of Lieutenant E. S. Storer will be pleased to learn that he has been placed in command of a battery of howitzers, attached to the Kansas Second. Read the interesting letter of "Byron."

A party of about one hundred Pottawatomie and Kickapoo Indians passed through town last Tuesday on their way to the regions of the buffalo. An Indian train of ponies, squaws, peaposes, and other truck, is an imposing sight!

PUBLIC SPEAKING.—Col. John C. Vaughan, of Leavenworth, and George H. Fairchild, of Atchison, will address the people of Davis county, upon the issues of the day, at Junction City, on Thursday, October 16th.

The SMOKE HILL and REPUBLICAN UNION, alias the JUNCTION POLICE GAZETTE, (we have been so christened by horse-thieves, pettifoggings "shysters," and humbugs generally,) gives more reading matter, in proportion than any other paper in the State.

JUDGES.—U. S. Marshall McDowell has appointed Samuel Orr Deputy United States Marshall. We must compliment McDowell on his good sense, but shall not say anything about Sam until he brings us that bottle of "bust-head" he promised.

MARRIED.—On the 24th ult., by the Rev. Geo. A. Beckwith, at the residence of G. L. Coleman, of Manhattan, Mr. William H. Bower, to Miss Hannah Horsey, both of Manhattan. The above is, as Dr. Kurtz happily designates, a most unimpeachable affair; and our old Bachelor club (as was) is hereby tendered our hearty congratulations.—[Express.]

A portion of the stock has arrived in town, and the rest is on the way, to replenish that portion of the road which was stripped by the guerrillas a few weeks ago. Mr. Terry, Superintendent of the Kansas Stage Company, offers a reward of \$100 for each well authenticated scalp of this party. The mules are branded "K.S.C.," so that detection is quite easy.

The mail facilities of this upper country are becoming terribly mixed. Every post office between this and Topeka wants cleaning out. The Manhattan and Fort Riley offices are fast becoming, in common parlance, nuisances. We dislike very much, to have a package of our papers, destined for a point only eight or ten miles distant, go away round by Topeka, getting back in the course of a month or six weeks. It is not "all right" up this way, Mr. Thomas.

GRATIFYING NEWS.—Henry Ganz has arrived from Leavenworth, where he has been seeking to promote the comfort of the people of Western Kansas. We are pleased to state that success has attended him. The teams will soon arrive laden with all that is necessary and gratifying to man, in the shape of dry goods, queensware, clothing, saddles, bridles, &c. Henry reports our boys in the Camp of the Eleventh as all right.

INDEPENDENT.—Verily, the Junction Guards are an independent organization. The U. S. Regulations are not sufficiently "Democratic." At a meeting of the Company, held last Monday evening, a series of Rules and Regulations were reported by a Committee appointed at a previous meeting. One of the rules set forth that a non-commissioned officer and six privates should stand guard each night. After an hour's most boisterous contention, it was so amended as to require the three commissioned officers to take their turn as officer of the guard! The officers are equally Democratic, and take it as matter of fact.

MEANNESS.—We have a private letter from Manhattan, inquiring if it be so that Streeter & Strickler are repudiating their bills, and stating that two of the firms in that place are refusing them, telling the people that the firm of Streeter & Strickler are not responsible. Meanness seems to be contagious round and about "the Blue." The firm of Streeter & Strickler is one of the most reliable and responsible in the State, and their integrity and shrewd business management preclude the possibility of repudiation. But they are not on "the Blue"—that's what's the matter." Will the Express do the justice to state that there is more security in taking this firm's bills than in any other shipplaster in Western Kansas. Business men who would resort to such means of injuring another, are not to be trusted.

ANNUAL MEETING IN SCHOOL DISTRICT NO. 1.

Pursuant to a ten day's notice, the annual meeting of the voters or School District No. 1, was held in Taylor's Hall on Saturday, Sept. 27th, 1862, at 3 o'clock, P. M. The Director in chair. It was moved by Dr. Seymour and seconded by Mr. Pooler that the meeting adjourn until 7 P. M. Carried. The meeting adjourned.

EVENING.—The meeting was called to order by the Director. On motion of Mr. Strickler, N. S. Gilbert was chosen Director, L. Hall, Clerk, and Daniel Mitchell, Treasurer for the ensuing year. On motion of Mr. Mitchell, S. M. Strickler, Robt. McBratney and Edward Cobb were appointed a committee to select a room for school purposes.

Moved by S. M. Strickler and seconded by P. Z. Taylor, that one-half of one per cent. be assessed as a tax for building or hiring a school house; that one-fourth of one per cent. be assessed for hiring teachers, and that one-fourth of one per cent. be assessed for purchasing blackboards and fixtures and for paying liabilities. Carried unanimously.

On motion of P. Z. Taylor, seconded by W. K. Bartlett, it was left optional with the Board to select a room for school purposes, to hire teachers and transact all other necessary business, thereby relieving the former committee from their duties.

L. HALL,
Clerk of the Board.

COME UNDER THE LAW.—To the military organization which we have in our midst we would suggest the consideration of organizing under the military law of the State of Kansas. The immediate danger which threatened us has in a measure passed—or rather the excitement has abated—still our people are coolly prepared for duty. Under these circumstances, we believe the community prepared to organize as State Militia. That it is our duty, none will deny. An effort is now being made to place the State upon a war footing, and just to our extent do we stand in the way of its consummation. As State Militia we will receive arms and ammunition, and if called into the field will receive pay for our services. We hope the Company will so act.

The Santa Fe mail, with dates to the 7th of September, arrived at Junction City about two weeks ago. The Navajo Indians are making extensive raids in New Mexico. On the 30th of August they attacked a ranch near San Miguel, killing one man, wounding two, and taking two captives. They also captured 20,000 head of sheep and 500 head of cattle.

MESSRS. EDITORS.—Please announce WILLIAM H. MCKINLEY as an independent candidate for Representative for Davis County, subject to the decision of the people at the polls. If defeated, I shall agree not to wear crape over ninety days.
